

## Find the Animal

This game helps to develop children's' listening and attention skills. The fun game motivates children to listen and provides opportunities for turn taking and language learning.

### Equipment needed Pictures of animals or toy animals

**Farm Animal Toys**

**Pictures of Farm Animals**

### Instructions for playing

- Using a toy animal or a picture of an animal show the child the noise the animal makes
- Ask the child to copy the animal sound
- Take turns making the animal sound and matching it with the toy or picture
- Scatter the toy animals or pictures around the room.
- Make an animal sound and encourage the child to find that animal.
- Take turns making the animal sounds and finding the animals

You could encourage use of language by asking the child...where he was hiding.
