

Making Magic Colours

This is a nice experiment, you simply mix food colouring with milk to make new colours.

You will need:

WHAT YOU NEED	PICTURE	TICK WHEN GOT
Cotton Bud		
Washing-Up Liquid		
Milk		
Liquid Food Colouring		

What to do:

Instructions	Tick when done
Pour milk into a small flat plate/dish	
Squirt drops of food colouring in all	
different colours or just use two	
primary colours (Blue, red or yellow),	
into the milk.	
Do not mix	
Let the drops sit as they are	
Dip the cotton bud into some washing-	
up liquid	
Dip the soaked cotton bud end into	
the milk and watch the magic happen.	

What it may look like

To make this more interesting

- Use different colours to make new colours
- Add some glitter
