

## Summertime Boom Chicka Boom

This is a repeat song with lots of opportunity to introduce summer vocabulary and objects of reference with a sensory twist. You can adapt this activity to meet the individual needs and interests of the child. Some child will be able to follow the instructions and develop their fine and gross motor skills while others will have the opportunity to experience the sensory features of the song.

### **Resources you will need.**

- Ball that will bounce.
- Watering can filled with water
- Hula hoop
- Skipping rope
- Bubbles

**Step 1:** Gather the resources as outlined above.

**Step 2:** Play the link.

**Step 3.** Model the actions in the song and invite the child to join in or present each of the sensory experiences as they are sang in the song as follows.

- Bounce the ball near the child
- Pour some water over the child's hand / feet
- Demonstrate the use of hula hoop
- Skip near the child
- Blow bubbles near the child.
