

# Useful YouTube Videos for Summer Provision

The links on this document are all for YouTube videos. There are a number of different categories below.

These videos may help to support students engaged a myriad of learning activities and returning to school. Teaching, modelling and consolidating the guidelines and norms which apply based on current Covid-19 related public health advice (e.g. hand washing, coughing / sneezing etiquette etc.) will be important and the use of videos will allow students access the information in different ways.
