

Summer Hunt

A resource for tutors/teachers to support the Home or School based Summer Programme

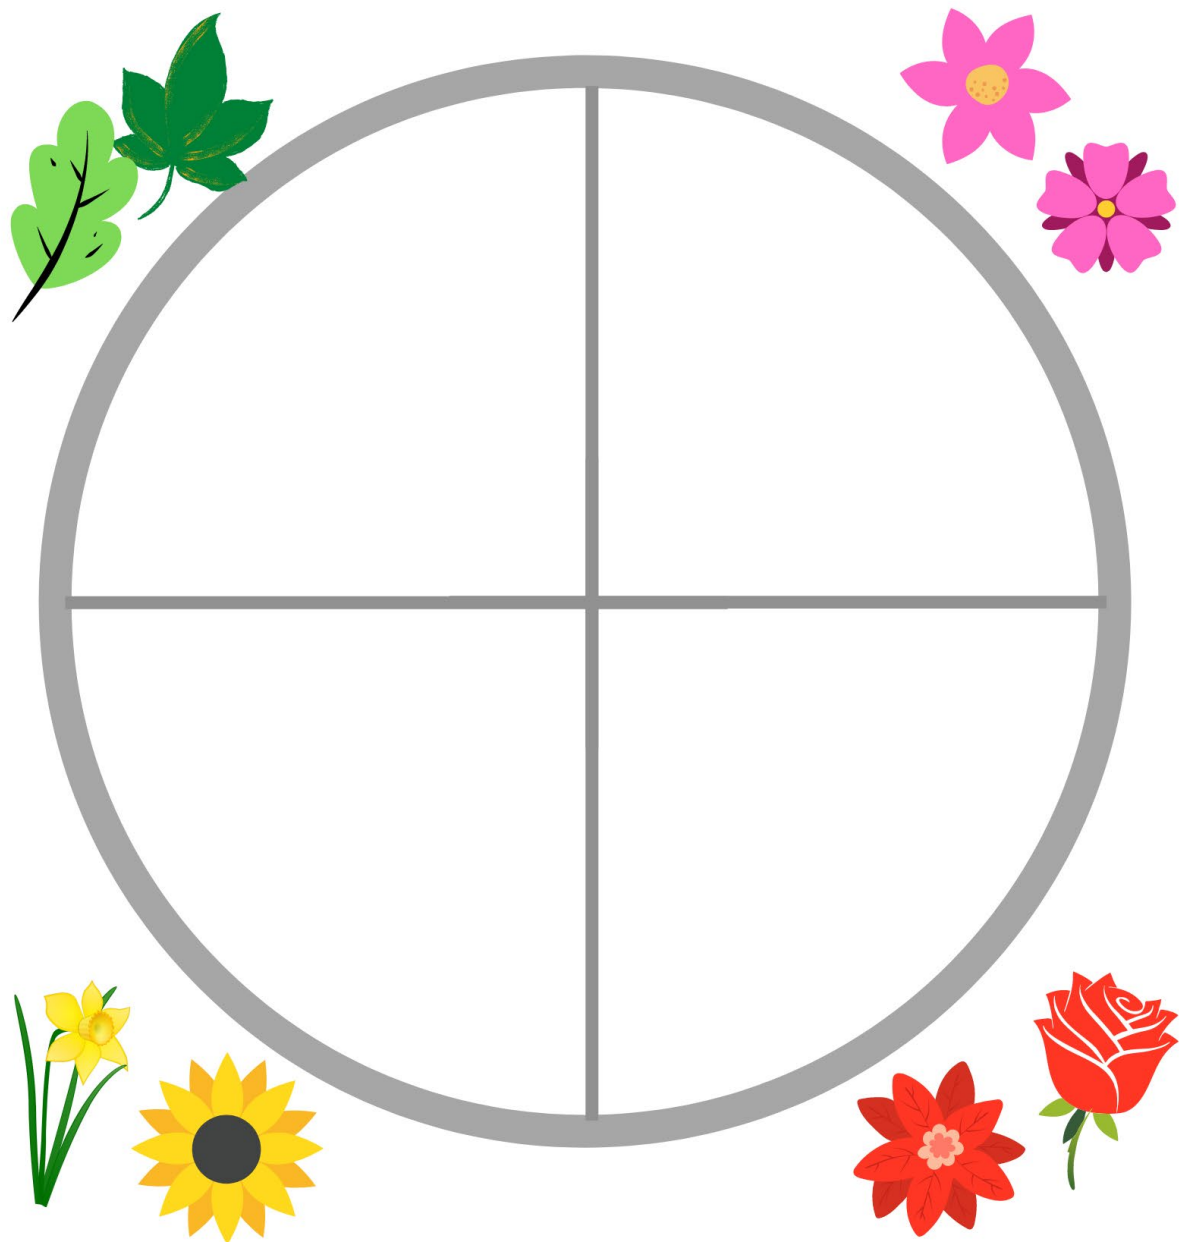

This resource provides visual templates to support development of colour, smell and sound concepts related to Summer. It will support development of literacy skills. It can be completed using words, sentences, drawing pictures or using images depending on the interests and needs of your students.

Summer Colour Wheel

Can you find anything that matches the colours on the wheel?
You can stick them in, or draw them!

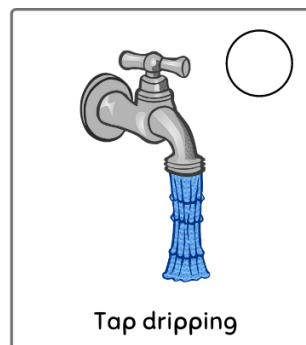

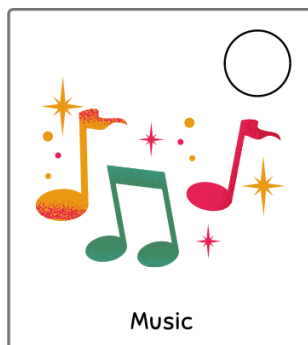

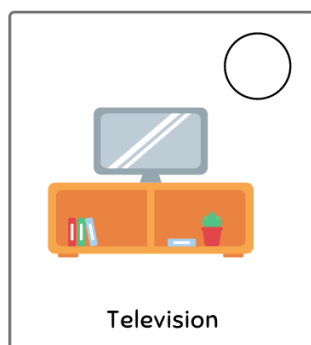

Roth Dathanna an t-Samhraidh
