

Summer Word search!

A resource for teachers to support the Home or School Based
Summer Programme

Example learning objectives:

This Word search combines some words and activities normally associated with Summer time and is a nice resource for all pupils who may enjoy word games or need encouragement with their language. This resource supports students to meaningfully participate and engage in positive learning activities which supports well-being.

Key skills include:

- **Literacy**- exploring many facets of literacy from reading to matching picture to word and then word to word.

Wordsearch:
